Piano

Some words they can't be spoken only sung
So hear a thousand voices shouting love

Verse 1 (continued)

There's a place, there's a time
In this life when you sing what you are feeling
Find your feet, stand your ground
Don't you see
Right now the world is listening to what we say

CHORUS

Sing it louder sing it clearer knowing every one will hear you
Sing it stronger sing together make this moment last forever

make some noise find your voice to - - night.
old and young shouting "love" to - - night.

Verse 2

To sing we've had a lifetime to wait (wait, wait, wait)
And see a thousand faces celebrate (together celebrate)
You brought hope, you brought life, conquer fear, no it wasn't always easy,
Stood your ground, kept your faith, don't you see right now the world is listening to what we say?

Chorus 3

Just sing..., just sing..., just sing..., just sing...
