'Cause it's too cold
So let me hold

All I am is a man
I hate the beach
In California with my toes in the sand
Use the sleeves of my sweater
Head in the clouds but my gravity's centered
Touch my neck and I'll touch yours
You in those little high-waisted shorts, oh

She knows what I think about
One love, two mouths
No shirt, no blouse
Nothing that I wouldn't wanna tell you about, no

'Cause it's too cold
So let me hold

And if I may just take your breath away
I don't mind if there's not much to say
Sometimes the silence guides our minds
So move to a place so far away
The minute that my left hand meets your waist
And then I watch your face
'Cause you love to taste, yeah

These hearts adore
Inside this place is warm

Coming down
One love, one house
Just us, you find out

'Cause it's too cold.....

For you here and now
Both your hands in the holes of my sweater

I want the world in my hands
But I stand

Let's have an adventure

And what I think about
One love, one house
Just us, you find out

For you here and now
Both your hands in the holes of my sweater

The goose bumps start to raise
Put my finger on your tongue

Everyone the other beats hardest for
Outside it starts to pour

One love, two mouths
No shirt, no blouse
Nothing that I wouldn't wanna tell you about, no, no, no
